

Bayou Texar

The Solution
End Pollution

KEEPING BAYOU TEXAS HEALTHY

STORMWATER:

Comes from rain and irrigation and can carry debris into waterways.

To reduce stormwater runoff and keep it clean:

1. Use very little lawn chemicals and fertilizers.
2. Prune and handpick weeds. Don't use Chems.
3. Use techniques that are part of IPM.
4. Spraying buffinfested plants with a hose.

Landscaping for Healthier Waterways:

When mowing the lawn make sure
lawn make sure
no more than 1/3 of
the blade is clipped.

Ways to transition to healthy landscaping:
Establish a "buffer zone" of plants or groundcover either at the curb or along the waterfront to keep nutrients.
